

Return to Freedom.
Freedom from Pain. Freedom to Move. Freedom to Live.

At OsteoArthritis Centers of America we specialize in the **treatment of pain** associated with **Osteoarthritis (OA), Degenerative Joint Disease (DJD) and other musculoskeletal and pain related conditions.**

These conditions impact over 100 million people in the United States, accounting for 25% of all visits to primary care physicians, and half of all anti-inflammatory drug prescriptions written in the United States annually.

If you suffer from aching and painful joints, call us today to schedule an evaluation with one of our Board Certified Physicians. If your physician has referred you for physical therapy because of your conditions, call us to schedule physical therapy with our therapists.
